- A. The Chief Academic Officers at each institution will implement the terms of this Agreement, including the incorporation of any mutually agreed upon changes into subsequent revisions of this Agreement, assuring compliance with system policy, procedure, and guidelines.
- B. This Agreement will be reviewed on an annual basis by representatives from both institutions; both Lyon and UACCB agree to notify one another in a timely manner of any curriculum changes that would significantly impact the nature of this Agreement.
- C. Lyon and UACCB will work together cooperatively, in the best interest of affected students, to resolve any issues related to the transfer of courses should changes to either degree program occur while the Agreement is in effect.
- D. Students will be subject to the terms and conditions of this Agreement in accordance with their academic year of entry at UACCB. A student may opt for a subsequent revision of this Agreement, but must meet all of the requirements specified therein.
- E. Lyon and UACCB will make every effort to inform students of this Agreement. This may include, but is not limited to, inclusion within each institution's website, published catalog, recruitment publications, media announcements, social media engagement, and in-person information sessions.

MISCELLANEOUS

- A. This Agreement may be terminated by either Lyon or UACCB upon written notice from the Lyon College President or the UACCB Chancellor with at least 90 calendar days of written notice.
- B. In the event that the Agreement is terminated, no new students will be admitted to the program; however, all students who have already been admitted to Lyon, in accordance with the terms of this Agreement, will be allowed to complete their approved course of study under the terms contained therein.
